

Freeway and Tollway Operations Conference

Fort Lauderdale, Florida, USA • June 15-19, 2008 • www.2008FTOC.com

"A Sunnier Tomorrow Through SAFER, SMARTer Freeways and Tollways"

Time is running out! Submit an abstract today!

If you would like to be considered for the program, please submit an abstract. The focus of this conference will be on freeway and tollway operations and how pricing and public-private partnerships may impact the future.

The 2008 Freeway and Tollway Operations Conference will have four tracks with the following topics:

- *Expressway/Motorway Management
- *Tollway and Tolling Operations/Managed Lanes
- *Operations and Control Center Technologies
- *Safety in Incident Management

Possible abstract topics:

- *General Freeway Operations
- *General Tollway Operations
- *Safety on Freeway and Tollway Facilities
- *Use of Roadway Pricing for Freeway and Tollway Operation
- *Impact of Public-Private Partnerships on Operations
- *Freeway, Bridge, and Toll Road Operations at Border Crossings
- *Use of Freeways and Toll Roads in Emergency Evacuation
- *International Freeway and Tollway Practice
- *Use of Freeways and Tollways for Emergency Evacuation
- *Open Roads Tolling
- *Managed Lanes

Abstracts should be no more than 400 words in length and may be on any of the topics listed above or any topic relevant to the conference. The intent is to identify presentations for the conference (i.e., no paper is required). If you would like to submit a paper at a later date to be included in the proceedings, please indicate this in your submittal.

The deadline for abstract submission is February 1, 2008. Authors will be notified by March 1, 2008. Click on the link below to submit your abstract today!
