### Center to Center Coordination

Discussion:

John Scarpellino provided everyone a copy of Interagency Incident Charts and Material for Data Collection Procedures for discussion.

A template has been developed and should be used for future reporting of monthly statistics.

Everyone should submit missing data to John for inclusion in materials to be used at first FUSION meeting by October 30. John will follow-up with an email.

Discrepancy in numbers between ITMS and other centers was noted and will be discussed at a separate meeting.

## Southeast Florida Regional TMC Operations Committee (SEFRTOC) Meeting AGENDA

### Super Bowl Transportation Committee

Discussion: *(Notes provided by Nicole Epley)*

SEFRTOC - Can assist with:

- Highway Advisory Radio (Low Band)
- Camera's (2 – 200 Camera capability approx.)
- Signs (200 Message Signs approx.)
- Road Ranger Service Patrol Vehicles
- 511

#### General Information

- SEFRTOC Project Manager  
Steven Corbin (SunGuide, FDOT)  
Phone: 954.847.2791  
Cell: 954.818.4211  
[Steven.corbin@dot.state.fl.us](mailto:Steven.corbin@dot.state.fl.us)

- Get FBI and Public Safety in touch with SEFRTOC – ASAP important at least one week (should be more advanced than one week) before game.

- Low Band Radio for Super Bowl Contacts  
John Easterling (Turnpike Traffic Operations)  
954-934-1292  
[John.easterling@dot.state.fl.us](mailto:John.easterling@dot.state.fl.us)

*\*John has a low band radio in place. Beacons North of Golden Glades. Steven and John are leads for low-band radio.*

- Park and Ride will cause a lot of congestion and they can assist in directions for traffic to smooth out the bumps. (Directions meaning where incidents are and possible route selection alternatives.)

- Make sure that communication for buses are all on the same radio.

- EOC could be hosted at District 6 or District 4. This would be a good idea because they are linked with all four TMC systems.

#### *Notes provided by Dee*

Nicole provided maps and schedules for Super Bowl related events as well as past experience.

Broward EOC is the JOC – SC will work to get video there. At present there is no connectivity; Nicole will look into whether there are any funds available towards that end.

Nicole to provide contact information for all the various parties involved (MD Transit, Ridgeway Intl., Broward EOC).

Back in 2010!

## Southeast Florida Regional TMC Operations Committee (SEFRTOC) Meeting AGENDA

### Next Meeting

All agreed that 511 QA QC and SEFRTOC meetings should be held together in the future. Dee will put together a schedule for 2007 for all to review.

Due to Thanksgiving and Transpo in November, next proposed meeting date for both is November 20 at District 6.
